Announces a Recruitment for

Medical Director

Starting Compensation – Based On Qualifications

Proposed Compensation

\$4,000 Monthly

\$48,000 Annually

Mountain Counties EMS Agency is an Equal Opportunity Employer

FINAL FILING DATE: [Open until filled](#)

(First resume reviews will be conducted on June 1, 2023)

The Mountain Counties EMS Agency (MCEMSA) is a regional EMS agency which serves the counties of Alpine, Amador, Calaveras, and Mariposa. The mission of the Agency is "to ensure the appropriate provision of quality pre-hospital care services to the public in a cost effective manner as an integrated part of the overall health care system."

MCEMSA is seeking resumes from qualified individuals for the position of Medical Director. The EMS Agency Medical Director provides medical control and assures medical accountability throughout the regional EMS system, pursuant to the California Health & Safety Code, Section 1797 et. Seq. and the California Code of Regulations, Title 22, Division 9 et. Seq. This is an administrative contract position.

THE IDEAL CANDIDATE

MVEMSA is seeking a dynamic, progressive and motivated leader to direct the clinical activities of the 4 county EMS region. The ideal candidate will have background in emergency medical services administration with strong analytical, written and oral communications skills and will:

- Seek clinical opportunities to improve the status quo
- Possess knowledge and understanding of the State of California Emergency Medical Services administration and legislation
- Have the ability to oversee diverse EMS systems consisting of urban, rural and wilderness populations and geography
- Provide medical oversight of the regional quality improvement program.
- Work cooperatively with physicians, paramedics, nurses, fire fighters, law enforcement agencies, and community groups on clinical issues related to EMS system development
- Provide access as the EMS Medical Director at regional QI meetings
- Candidly address field provider performance issues
- Demonstrate strong teamwork and collaboration skills as well as evidence-based clinical decision making

MINIMUM QUALIFICATIONS

- License: Current active and valid licensure as a Physician in the State of California; AND
Current certification by the American Board of Emergency Medicine
- Experience: At least two years experience in the practice of emergency medicine. Direct EMS experience is desirable.

COMPENSATION

The EMS Agency Medical Director is an independent contractor position. The \$48,000 annual compensation is based upon approximately 20 working hours/month with an anticipation that half of those hours, as arranged by the contractor, will be spent onsite at the Agency's offices or in meetings representing the Agency.

The Agency office is located in Copperopolis, CA.

APPLICATION & SELECTION PROCEDURES

Resumes may be submitted to swatson@mvemsa.com and will be accepted until the position is filled. Resumes should include academic degrees held and dates conferred, employment history, dates of service, areas of experience and responsibility and list relevant research or publications. Please include a cover letter outlining your vision for EMS and motivation for seeking the position.

An evaluation board will convene to review submittals and identify top candidates. Final selection will be done by the Agency JPA Board of Directors.

The first review date of resumes will be held June 1, 2023.
